## GRAND KNIGHT REPORT

Brother Knights of Council 5803

Thank you to all who stepped up last month and helped us with the St. Rose of Lima Feast Day. DGK John Antonacci and his team cooked up 900 meals. Team Lemos and Team Smith did a great job with the audio visual and preparation of all the food. Brother Faustino Villanueva and Emilio Espinoza served up enough corn to feed all who were hungry. Adam Cross and the youth also did a super job with popcorn and cleanup. It is nights like this that make me proud to be your Grand Knight! I have to laugh when some say “why do the Knights do all this and how come the parish doesn’t?” Brothers, **most of us are parishioners** who also happen to be in the Knights. We are not Knights first and parishioners second. Our Supreme Knight has called us to be all we can for our all of our parish and to assist our priests in any of their needs.

Thank you to all who came out to the 3<sup>rd</sup> Degree last month and helped out. Our DD Cliff was very grateful to our council. Our new Hispanic outreach membership committee brought in new members who all made their 3<sup>rd</sup> Degree! I will continue to support these new brothers and their vital ministry at St. Rose of Lima.

As your Grand Knight I ask for your support in all that I am trying to do for our council, parish and community. I understand that some would like me to do it “their way” but I ask you to please let me do it “my way”. I was elected to lead this council for one year and that is what I plan to do. I welcome and appreciate your comments by phone or email but during council meetings I ask you to unite behind me and my officers.

Vivat Jesus

## 1 month to go Annual Bishop Fishing Trip Sep 29 - Oct 2 2016

I don't think it is too early to start thinking about our annual fishing trip. How many times have you said to yourself that you should go on the trip at least once? This trip should be on your bucket list. Start thinking now and be ready when the next trip comes around.

The annual Men's KCO (K of C Outdoor Club) fishing trip to the Bishop Creek area of the Eastern Sierra's is held on the 1st weekend of October.

Join me and 40-50 of your Brother Knights, friends, and families for a great weekend. In addition to the South Fork of Bishop Creek that runs through the campground, there are the South Lake, North Lake, Lake Sabrina and Intake 2 fishing areas nearby.

The event is held at the Creekside RV Park with campsites, RV sites, and trailers available for rent. **You must make your own reservation for sites.** They hold a few sites for us but they are first come-first serve. Contact the office at Creekside for a reservation of your desired site. Be sure to tell them that you will be part of our group. They may be reached at 760-873-4483.

Activities include a fishing derby with many prizes (adults and kids, depending on attendance), a BBQ Tri-Tip Dinner on Saturday Night, and card games when there are enough interested players. If we have enough interest and help we may have a Sunday morning breakfast.

Beautiful mountain (elevation 8300 ft at the campgrounds) scenery, good fishing (trout up to 5 lbs) and good people. You shouldn't pass it up. Ask anybody that has ever gone, they will tell you what a great weekend it is.

This event is open to Council and Assembly members, their families, and friends. We generally have only male guests (let your wives and daughters have a "ladies night out" with other fishing trip widows).

Lets hope that the weather, the Edison Company, and assorted others allow for more water into South Lake, Lake Sabrina, and the creeks. Like all of California, the Eastern Sierras need water/rain/snow. Let us pray that our drought ends before we have more serious water shortages and possible rationing.

**Special Note:** The pond within the Creekside Campgrounds continues to be under control of the California Department of Fish and Game. They stock the pond on their schedule. All normal Fish and Game laws apply.

Some of us made reservations for next year's trip as we checked out. The annual Men's KCO (K of C Outdoor Club) fishing trip to the Eastern Sierra's is held annually on the 1st weekend of October.

For more information, please contact me at a Council or Assembly Event or call me.

## DEACON'S CORNER

### St. Teresa of Calcutta (Kolkata) (8/27/1910-9/5/1997)

By the time you read this, Mother Teresa of Calcutta will be a saint. (Canonized Sept. 4, 2016).

She was born Ganzhou (Agnes) Bojaxhiu in Skopje, Macedonia. She took the name of Teresa as a 36 year old Loretto sister. She started out as a Catholic high school teacher. Two years later, Sister Teresa received official permissions needed to leave the comfort and safety of the school environment.

Her life began to change dramatically which she described "as a decisive mystical encounter with Christ" on September 10, 1946 on the way to a retreat. The future Mother Teresa, by her own account, was told by Jesus "to give up all and follow Him into the slums - to serve Him in the poorest of the poor."

Her example opened the flood gates of charity and compassion and many joined her and contributed to her cause. Those that knew her well said, "Mother Teresa could connect with others easily because she never judged a person. She only loved and served, seeing Jesus in everyone." "She was well aware of today's state of affairs and always spoke out for the protection of human life."

What I liked about Mother Teresa was how she taught that the poor are not only those who are starving for a piece of bread, but the poor might be someone in your own family who is starving for love.

In 1979 Mother Teresa received the Nobel Peace Prize, but she did not want any attention given to herself, but instead wanted all the glory going to God.

Most people of the world admired Mother Teresa as a holy woman known for her charitable activity toward the poorest of the poor.

After her death, letters were found that revealed she had a spiritual darkness. Fr. Brian Kolodiejchuk, postulator, the person overseeing the cause for sainthood, says that these secrets help us recognize the depth of her holiness and that in fact, Mother Teresa is one of the great mysteries of the Church.

Mother Teresa told her sisters and us that whatever one does is entirely and perfectly beautiful if done out of love for Jesus.

Deacon Terry

## INSURANCE REPORT

### Don't Crowdfund Your Family's Future

There is a new phenomenon sweeping the internet: crowdfunding. Pioneered by organizations like GoFundMe, crowdfunding allows anyone to donate to a project or cause online.

Crowdfunding is increasingly being used to raise funds for grieving families. Chances are you've seen this more than once. Someone passes away, and within a day or two a representative from the family opens a crowdfunding page to raise funds to pay for funeral expenses and medical bills. Without question, crowdfunding is a great way to harness the power of the internet for charitable ends, but it is often insufficient.

Recent studies show that the average crowdfunding memorial page raises \$2,000-\$2,200 — far below the average cost of funeral services.<sup>1</sup> Grieving families are left to deal with the shortfall as well as the additional stress of soliciting donations, figuring out how to access the money and calculating platform fees.

September is designated as Life Insurance Awareness Month. It's a great opportunity for you to evaluate your life insurance coverage and make sure your family's future will not be left up to a crowdfunding page.

Since life insurance guards against one of life's only certainties, it's a product that nearly everyone needs. The question is not "Do I need life insurance?" but rather "Who should I get it from?"

#### Who Should I Get It From?

Every life insurance company sells life insurance. There are hundreds of them in North America. But there's only one life insurance company that belongs to you.

From the beginning, the Knights of Columbus has been determined to offer insurance by brother Knights for brother Knights and to uphold the Catholic commitment that has animated our Order since Father McGivney's time.

Today, our insurance program protects hundreds of thousands of families, with more than \$100 billion in force. Last year alone, Knights of Columbus families received more than \$800 million in insurance benefits.

**SK Willie Romero**

Being your insurance company also means that we have to be ethical, responsible, Catholic and charitable — just as you would expect.

Recently we received our third consecutive "World's Most Ethical" company designation by the Ethisphere Institute, and since 1975, the Knights of Columbus has been among the most highly rated life insurers in North America.<sup>2</sup> We refuse to invest in companies who deal in lines of business that run contrary to church teaching. We also use proceeds from our insurance business to donate to Catholic and charitable causes around the world. The insurance business and local councils are the two primary sources for the more than \$1.55 billion the Knights of Columbus has donated to charity in the past decade.

Our strength cannot be beaten. Our ethical pedigree cannot be questioned. And our Catholic commitment is never compromised.

Not every life insurance company can say that.

#### How Much Do I Need?

As a Knight, you have a full-time, professional brother Knight field agent to call your own. His job — his mission — is to help you and your family evaluate your situation and determine how much coverage is needed to help meet your needs within your budget.

It's a proven fraternal system that has helped countless families when they need it most.

So, as we observe Life Insurance Awareness Month, don't leave your family's future to chance charity. Protect your family with the safety and guarantees of life insurance from the Knights of Columbus.

## Columbus Day Dinner

Brother Knights,

Please join us to enjoy a wonderful Italian meal to celebrate Columbus Day on Wednesday October 12th at the Knights Hall. This is a family event so everyone is welcome. Please contact me as soon as possible to let me know if you will be joining us. We need to get an approximate head count, so we know how much food to prepare. We look forward to seeing all of you.

I have attached some information below about why we celebrate Columbus Day. I hope you find it interesting.

"All hail, Columbus, discoverer, dreamer, hero, and apostle . . . The voice of gratitude and praise for all the blessings which have been showered upon mankind by his adventure is limited to no language, but is uttered in every tongue. Neither marble nor brass can fitly form his statue. Continents are his monument, and unnumbered millions, present and to come, who enjoy in their liberties and happiness the fruits of his faith, will reverently guard and preserve, from century to century, his name and fame."

The first official, annual Columbus Day holiday was proclaimed by Governor Jesse F. McDonald of Colorado in 1907. Two years later, Tammany Hall man Timothy Sullivan introduced a successful bill in the New York state legislature to make Columbus Day a state holiday. By 1910, 15 states had officially adopted the holiday. Over time, many more states followed suit, and in 1934 Congress made Columbus Day an official holiday of the United States, to be celebrated annually on October 12. As a result of the Uniform Monday Holiday Act, which became effective in 1971, Columbus Day is now observed on the second Monday in October each year.

God Bless and Good Health,

## MESSAGE FROM THE DISTRICT DEPUTY

My Brothers,

"I can do things you cannot, you can do things I cannot; together we can do great things."

Blessed Mother Teresa

This simple sentence sums up the Knights pretty darn well! Each of us has been given unique gifts by God. The gifts are not to be kept to ourselves but to be shared with others. We are all parts of the body of Christ and must work together for His greater glory. Act on the gifts that God has given you and start today! How blessed we are to have lived in a time with two great saints, Saint Pope John Paul and Mother Teresa. September 5<sup>th</sup> we will have the canonization of Mother Teresa. The Knights of Columbus Museum opened a new exhibit last week to coincide with the canonization. Called "Mother Teresa: The Saint of the Streets," it runs through Nov. 6 and will showcase Mother Teresa's relationship with the Knights of Columbus. I am sure the Supreme website will have much of it online soon.

August was a busy month for our District. We had three Admission Degrees, one Formation Degree and finished the month with a Knighthood Degree. I thank all of the members from our 5 councils that took part in making these Degrees happen. I welcome the 24 brothers who received full Knighthood in the 3<sup>rd</sup> Degree. District 82 is so blessed to have so many good men dedicated to our order and to the vision of our Venerable founder Michael J McGivney.

I close this month by inviting you to a fabulous wine and food festival at my parish in Simi Valley. It is called the Simi Valley Dream Cuisine. Simi Valley Council 5803 from St. Rose of Lima in our district is the honoree this year. It is the councils 50<sup>th</sup> Anniversary. A donation will be made in their name to the event special guest, Gary Sinise for the Gary Sinise Foundation. Tickets are only \$60, or you can reserve a table of 10 just for you for only \$600. Tickets can be purchased online at [www.svdream.com](http://www.svdream.com) or by calling me.

If any of your councils have an upcoming event you want me to share never hesitate to email me the info. I will gladly help get the word out to the over a thousand men and their families in our district

May God bless you and your loved ones and may He comfort any of you in physical or mental distress.
